FINANCIAL REVIEW

RESULTS

There was a net income for the financial year of €662K (2016 €668K). The income includes the amortisation of local authority mortgages €1,402K (2016 €1,328K) and the expenditure includes depreciation on properties of €885K (2016 €831K). Both the amortisation of mortgages income and the depreciation of properties charge are non-cash items. These two non-cash items account for €517K (2016 €497K) of the net income for the financial year. The net income for the financial year, excluding non-cash items, amounted to €145K (2016 €171K). The Directors expect that the level of activity will increase in future years to meet the demand of the individuals and families we support and our future tenants.

During 2017 HAIL continued to work in partnership with the Department of Housing, Planning and Local Government, Local Authorities, the HSE and other Approved Housing Bodies. We also worked with the Housing Finance Agency (HFA) and the Bank of Ireland to access private finance to continue to increase our housing stock as part of the Rebuilding Ireland Action Plan for Housing and Homelessness.

RESERVES

The Board reviewed and changed its policy on Reserves following the implementation of accounting policy FRS102. This has resulted in a re designation of all existing Reserves into two main categories – a Development and Building Maintenance Reserve which will be cash backed and an Accumulated Funds Reserve.

At the 31 December 2017 the Company held reserves totalling €10,494K (2016 €9,647K). This reflects the Company's continuing growth.

These reserves were split as follows:

Details of the reserves and their movements are in the notes 15 to 18 to the financial statements.

8%

increase in turnover

2017 €3,868K | 2016 €3,568K

EXPENDITURE

Total expenditure for the financial year was €3,206K compared to €2,900K for 2016, an increase of €306K (11%). The main increases are due an increase in property finance costs €165K reflecting a full year of the NARPS lease (€136K) and increased interest payments on properties acquired. Other increases were in depreciation on all fixed assets €926K (2016 €857K) an increase of €69K (8%), property costs €490K (2016 €441K) mainly due to an increase in the number of properties and related service charges.

We benchmark our staff payroll remuneration against sector payroll reports – National Guide to Pay and Benefits in Community, Voluntary and Charitable Organisations.

INTERNAL CONTROLS

The Directors acknowledge their overall responsibility for the Company's systems of internal control and for reviewing its effectiveness. The Board approves all internal control policies. They have delegated responsibility for the implementation and monitoring of the agreed policies to the CEO. The internal control policies include financial controls, which enable the Board to meet its responsibilities for the integrity and accuracy of the Company's accounting records.

The Board has established a process of compliance that addresses the Board's wider responsibility to maintain, review and report on operational and financial internal controls.

During 2017 the internal control policies were reviewed by the Finance, Audit and Risk Sub-Committee. The recommended changes to the

policies were approved by the Board including the establishment of a revised set of key performance indicators.

RISK REGISTER AND REVIEW

The Finance, Audit and Risk Sub-Committee and the Board review the Risk Register on a quarterly basis. The process of identification and assessment of our risks and our Risk Management Strategy is reviewed on an annual basis. The Risk Register is divided into five categories – strategic risk, financial risk, operational risk, compliance risk and reputational risk.

The identification and management of risk is an integral part of our business. Consequently the Risk Register is presented at staff team meetings and cross departmental meetings such as health and safety meetings for input from staff.

The Finance, Audit and Risk Sub-Committee manages the risk register seeking assurance that all mitigating actions are identified and are in place and that any further actions are completed.

Performance in the Approved Housing sector is generally affected by government policies, changing legislation, the impact of the new regulatory regime and changes in the political or economic conditions.

The main risks identified by HAIL and managed in 2017 were:

- Risk to our reputation
- Cyber treat or loss of IT systems
- Risk of being sued or the subject of a claim or proceedings due to some infringement of laws, regulations or Health and Safety

FINANCIAL REVIEW CONTINUED

- Organisational capacity and resources
- Funding of the support services to ensure services can be maintained to ensure our tenants and clients can achieve and sustain independent living
- Capital financing for property purchase not available and therefore unable to develop in line with our Strategic Plan
- Increase in running costs of the organisation not matched by income stream
- Staff retention and staff burnout.

Measures are in place to control these risks and the implementation of further mitigating actions is regularly monitored by the Board and its Committees. A 30 Year Financial Plan is prepared and reviewed by the Board and its Committees. This plan is also stress tested in line with the identified risks to the organisation.

BUDGET CONTROL

Each year we prepare a three year forecast with a detailed annual budget. The actual results are compared to budget on a monthly basis and any material variances explained to the Finance, Audit and Risk Sub-Committee on a quarterly basis. A detailed revised outcome for the year is prepared a minimum of twice each year based on the actual results to date. The actual results are also compared against the current year budget during the year to ensure alignment with the Strategic Plan, tight budgetary control and value for money. Monthly Key Performance Indicators (KPI's) are reviewed by the Finance, Audit and Risk Sub-Committee and reported to the Board. KPI's are monitored against benchmarks set by Housing Regulator. Detailed management accounts, with commentary, are presented to the Board directors at each Board

meeting. A 30 year financial plan is reviewed and approved each year by the Board to ensure the continuing financial sustainability of the Company.

UPKEEP OF HOUSING PROPERTIES

The Company's policy is to maintain its housing properties to a very high standard. A rolling stock condition survey was carried out in 2017 on 30% of our properties. HALL's policy is to complete a stock condition survey on 100% of its stock every 3 years. A detailed planned maintenance programme is in place and our Asset Management Strategy will be further revised in 2018 following the outcome of the 2017 stock condition surveys. The financial results of the 2017 surveys will be incorporated in the 30 Year Financial Plan prepared by HALL. In accordance with FRS102 the actual expenditure on maintaining our properties is recorded in the Statement of Financial Activities rather than against reserves. The expenditure on the planned maintenance program is incorporated in the 30 Year Financial Plan to ensure we have sufficient funds to meet this expenditure.

COMPLIANCE AND LEGISLATION

The Board acknowledges its responsibility to ensure that the Company complies with all its statutory and relevant Government and regulatory requirements. The Board has procedures in place to meet its legal and regulatory requirements and with respect to each of the following three items, we confirm:

- the existence of a compliance policy statement;
- appropriate arrangements or structures put in place to secure material compliance and the Company's relevant obligations;
- a review of such arrangements and structures has taken place during the year.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

We are responsible for preparing the Directors' Report and the financial statements in accordance with the Companies Act 2014 and applicable regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and, together with additional information required by the Charities Statement of Recommended Practice applicable to Charities under FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by Chartered Accountants Ireland. Under Company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date and of the financial activities of the Company for the financial year and otherwise comply with the Companies Act 2014.

In preparing the financial statements, the directors are required to:

- 1 select suitable accounting policies and then apply them consistently;
- 2 make judgments and estimates that are reasonable and prudent;
- 3 state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and reasons for any material departure from those standards;
- 4 prepare the financial statements on a going concern basis unless it is inappropriate to assume the Company will continue in business.

The directors confirm they have complied with the above requirements in preparing the financial statements.

The directors acknowledge their responsibilities to keep adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Company and that enable them to ensure that the financial statements to comply with the Companies Accounting Act 2017. INDEPENDENT REPORT OF THE AUDITORS

TO THE MEMBERS OF HOUSING ASSOCIATION FOR INTEGRATED LIVING

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

We have audited the financial statements of Housing Association for Integrated Living ('the Company') for the year ended 31 December 2017 which comprise the Statement of Financial Activities, the Statement of Financial Position, the statement of Changes in Equity, the Statement of Cash Flows and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is Irish Law and SORP under FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2017 and of its financial activities for the year then ended;
- have been properly prepared in accordance with SORP under FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with

ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other

INDEPENDENT REPORT OF THE AUDITORS *CONTINUED*

information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2014

Based solely on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- in our opinion, the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

RESPECTIVE RESPONSIBILITIES

RESPONSIBILITIES OF DIRECTORS FOR THE FINANCIAL STATEMENTS

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole

INDEPENDENT REPORT OF THE AUDITORS *CONTINUED*

are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in Appendix 1 to this report, which is to be read as an integral part of our report.

THE PURPOSE OF OUR AUDIT WORK AND TO WHOM WE OWE OUR RESPONSIBILITIES

Our report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

APPENDIX 1**FURTHER INFORMATION REGARDING THE SCOPE OF OUR RESPONSIBILITIES AS AUDITOR**

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concerns. If we conclude that a material uncertainty exists,

INDEPENDENT REPORT OF THE AUDITORS *CONTINUED*

we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as going concerns.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The financial statements are prepared in accordance with the financial reporting standards issued by the Financial Reporting Council, including FRS 102 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland'.

Compliance with the Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2016) is not mandatory for Irish Charities. However, the Company has adopted all relevant best practice of its disclosure requirements from this and from the United Kingdom SORP Accounting by registered social housing providers.

The financial statements are prepared on a going concern basis, under the historical cost convention and comply with accounting and disclosure requirements of Irish Company law and in accordance with the Financial Reporting Standards (FRSs) published by the Financial Reporting Council (FRC) in the United Kingdom and promulgated by Chartered Accountants Ireland.

INCOMES

Income consists of rental income from tenants, payments from Local Authorities, under Payment and Availability agreements, based on market rent, revenue-based grants, allowances, donations and bank interest. These are included in the financial statements on the basis of amounts received or receivable.

Mortgage loans received under the Capital Assistance Scheme (CAS) and the Capital Loan & Subsidy Scheme (CLS) are amortised over the term of the life of the mortgages.

TANGIBLE FIXED ASSETS AND DEPRECIATION

All tangible and fixed assets are recorded at cost.

All properties are held for primarily for social benefit and are consequently classified as Property.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Properties	2% Straight Line
Furniture & fittings	20% Straight Line
Computer equipment	33% Straight Line
Motor vehicles	20% Straight Line

The Company does not apply component accounting to its fixed assets as the nature of their assets would not make a material difference in their disclosed values or depreciation.

ACCOUNTING POLICIES CONTINUED

MORTGAGE LOANS FROM LOCAL AUTHORITIES

Mortgage loans are received from local authorities under Capital Assistance Scheme (CAS) and under Capital Loan & Subsidy Scheme (CLS). These mortgage loans are treated as deferred credits and are amortised to income over the term of the mortgage agreement which can vary from twenty to thirty years.

OPERATING LEASES: LESSEE

Rentals paid under operating leases are charged to the statement of financial activities over the period of the lease.

EMPLOYEE BENEFITS

Pension benefits for employees are met by payments to a defined contribution pension fund. Contributions are charged to the statement of financial activities in the year which they fall due.

GOVERNANCE COSTS

Governance costs represent direct expenditure and overhead costs on the strategic as opposed to the day to day management of the Company and on compliance with constitutional and statutory requirements.

FOREIGN CURRENCIES

Revenues and costs arising from transactions denominated in foreign currencies are translated into Euro at the rates of exchange ruling at the date on which the transaction occurred.

Assets and liabilities denominated in foreign currencies are translated into Euro at the rates of exchange ruling on the balance sheet date. The resulting gain or loss is dealt with in the statement of financial activities.

ACCUMULATED FUNDS

The Company maintains and splits the funds it receives into the designated categories to which the funds have been assigned. The split is divided into Restricted Funds and Unrestricted Funds.

RESTRICTED FUNDS

Income received, restricted to a specific purpose by the donor, is treated as restricted funds. Any unspent income is treated as restricted assets. The specific purpose must be within the objects of the Constitution of the Company.

UNRESTRICTED FUNDS

These funds consist of all income, other than restricted income, received to advance the Company's work and objectives. Such income may be used to finance administrative expenses or may be used at the discretion of the Company for any purpose that is within the objects of the Memorandum of Association of the Company.

FINANCIAL INSTRUMENTS

The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Basic financial liabilities, including trade and other payables, bank loans are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the

ACCOUNTING POLICIES *CONTINUED*

facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

SIGNIFICANT ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year such as

establishing useful economies lives for depreciation purposes of fixed assets.

Disclosure of information about assumptions and other major sources of estimation uncertainty at the end of the reporting period enhances the relevance, liability and understandability of the information reported in the financial statements.
