CLONDALKIN

A mixed housing development situated in North Clondalkin. The land for this housing project was purchased from South Dublin County Council through their subsidised sites scheme. HAIL has successfully worked with the community and statutory partners to turn this housing development into a thriving neighbourhood.

RAHENY

HAIL's first design and build estate is a mixed housing development in Raheny. It provides housing for families and individuals from the local area. Located on lands sourced through the Health Service Executive and Dublin City Council this established community is a success story for all those living there.

BALLYMUN

HAIL is part of a Ballymun's regeneration, housing families and individuals from the local areas. Our tenants include families with general housing needs and individuals with additional support needs. HAIL also provides accommodation within this development for LINX, a local day services project for people living in the area.

HAIL's mixed housing developments achieve integrated communities.
